

“experiment in theological education” may be found stimulating by many, to set up similar curricula in their educational environment.

The Finland Conference and its central aspects for the work on Education, are the content of the contribution by Simon Oxley (Staff from UK).

Otherwise you will find information about the ongoing work, plans and publications. We do hope that you will contribute to “*EEF-NET*”, by using the addresses down below, as Petros Vassiliadis did, to whom we are thankful for the information on the developments in the Society of Ecumenical Studies and Inter-Orthodox Relationship at Thessaloniki.
